THE POLITICAL SERVICE OF THE CITY

## The City is committed at your side

The Political service of the City accompanies development projects on its priority areas.

The Political service of the City takes part in the development of communal territories by specific actions dealing with social matters to give an additional support to the existing municipal action in the most fragile districts.

Three main tools of intervention are implemented:

- 1- Support TO certain structuring overall projects on the scale of the whole of the communal territory.
- 2- Within the framework of the Urban Contract of Social cohesion (CUCS) co-signed with the State, Toulon Provence Méditerranée urban community and PACA region, Toulon City co finances actions relating to one of the 10 indicated priority districts. The financing intervenes within the framework of an annual call for project around five specific topics.
- 3- Within the framework of the Local Council of Safety and Prevention of Delinquency (CLSPD), the city accompanies by the projects dedicated to the development of citizenship, prevention and security.
