The new railway station : an outstanding achievement

After several months of works, the entirely renovated railway station was inaugurated on Thursday, November 28th.

A complement of the coach station and the essential element of the Multimodal Interchange Hub, this total requalification (buildings and access roads) designed by the SNCF's Stations and Connections branch is the result of a close partnership between the State, Provence-Alpes-Côte d'Azur Region, the General Council of the Var Department, TPM urban area, the City of Toulon, the French Railroad network and the SNCF(French National Railway Company).
